The Senior Class

of

Buckland High School

Presents the 1956 Edition

of the

Whitefeather

Editorial

We, the Senior Class of 1956, are proud to present to you the twenty-seventh edition of the "Whitefeather". We, the graduating class, feel that we have profited much through our efforts to present to you a pictorial record of our curricular and extra curricular activities.

We have many fond memories of the teachers whom we have met and worked with down through the years. We feel that they have helped us through the unusual difficulties more than they will ever realize. They have helped us to become better citizens in this uncertain world of today.

We wish to thank the merchants in the surrounding area who have put advertisements in our yearbook. Without their co-operation our yearbook would have been incomplete. We hope that we may some day repay them for their consideration.

We realize that we shall miss the underclassmen after we have graduated. We shall always remember the wonderful co-operation they have given us.

We also wish to thank our parents for their unfailing faith and their help through the years.

We wish to thank those of you who have purchased this yearbook. We hope that it will be a lasting memory of the class of 1956.

By John J. Eisley

We're loyal to you, Buckland High
The red and the white is our cry,
We'll back you to stand
With the best in the land
For we know you are true
Buckland High. Rah! Rah!
Fight on is our cry to you team,
Victory for us, it is nigh
Our team is our fame protector
They'll bring us out a victor
We're for you Buckland High.
Fling out that dear old flag of
Red and White
Bring out your sons and daughters
Fighting for right
Like men of old on giants
Placing reliance, shouting defiance
Os-key-wow-wow,
Amid the broad green plains that
Nourish our land.
For honest labor and for wisdom we stand
And unto thee we pledge our heart and hand,
We're loyal to you, Buckland High.

Dedication

In appreciation of the assistance and guidance given us, we wish to dedicate this edition of the Whitefeather to Dr. Harry L. Rahmann.

"Patient in his daily duty, he strives to conquer the evil powers which are the enemies of youth. He awakens sleeping spirits. He quickens and communicates his own joy in learning and shares with boys and girls the best treasures of his mind. He lights many candles which, in later years, will shine back to cheer him."

Class Prophecy

After five years of college and five years of active duty in physical therapy I decided that I deserved a vacation and the best way to spend it was to visit my old classmates.

Before I started my vacation I went to the hospital for a physical check up where John, Carol and Maryalice were working. John as an x-ray technician, Carol and Maryalice were nurses.

Next I went to the most exclusive beauty salon in town. I was really surprised to find that Velma owned it. She said that Nila was her secretary. Then Nila walked out and told me all about her husband and children who were doing very well.

After leaving the beauty salon I went to visit Tom on his large farm over by St. Marys. He was doing very well. After leaving Tom I went over to see Ray and his wife and children. Ray was also doing very well for himself.

Next I visited Betty (Keysor) Place. Frank and their twin boys were running a very large coon-hound kennel.

After leaving Betty's I went to visit Betty Jo, who was very happily married and had two very lovely children.

Sue Kramer was becoming very popular as a fashion designer in Lima.

Willie and Diana were very happily married settled on their farm over by St. Marys. Don Hager also was farming. ~~He~~ was becoming very prosperous, and was enjoying life very much.

After leaving Don's I decided to fly to Texas where Donald, Ted, and Richard had gone to buy ranches and become cattle ranchers. While in Texas all the boys, and their wives and children entertained me very well.

When I arrived home from my vacation I dropped in on Jim and Barbara, who lived in a cute little cottage outside of Buckland.

After getting back to normal I decided to give Jamie and Holly, my children, music lessons. I decided upon a Mrs. Frank Stuck, who to my astonishment, turned out to be Mary Lou. Mary Lou had three lovely children and happy with life.

Class History

On September 7, 1945, twenty-five eager first graders took their first steps toward their school career. During the first six years Nila Howell, Velma Martin and Sue Kramer entered, increasing our number to twenty-eight. Under the excellent guidance of Miss Margery Culver we became accustomed to school.

After eight years of hard study we were prepared to enter high school.

On September 7, 1952, nine girls and twelve boys entered high school as freshmen "Greenies." During the year we lost Tom McPheron who moved to Spencerville and Jim Whetstone who moved to Ada. We elected officers for the year as follows: President, Maryalice Springer; Vice President, Nila Howell; Secretary, Mary Lou Stoner; Treasurer, Carol Sprague; News reporter, Velma Martin; Student Council; Betty Keysor and Tom Davidson; sponsor Mr. Warren. We were initiated by the seniors several weeks after school started. Many of our boys played on the reserve basketball team while two of the girls were cheerleaders. We also took part in the operetta "Hearts and Blossoms," band and chorus. We had several parties during the year.

Ten boys and nine girls entered the school as sophomores on September 5, 1953. Later in the year Jim Whetstone joined us again. Many of the boys played on the reserve and varsity basketball teams while two of the girls were cheerleaders. Many of the members of our class participated in various activities throughout the year such as: band, chorus and glee club. Our class officers were: President, Carol Sprague; Secretary, Betty Jo Trusedale; Vice-President, Jim Whetstone; Treasurer, Maryalice Springer; Student Council, Nila Howell, and Vernon Richardson; sponsor Mr. Goodish.

On September 3, 1954, eleven boys and nine girls began the school year as juniors. During the year we lost Vernon Richardson and Ronald Place making a total of eighteen in the class. The class officers were: President, Maryalice Springer; Vice President, Tom Davidson; Secretary, Carol Sue Sprague; Treasurer, Nila Howell; Reporter, Velma Martin; sponsor Mrs. Gosnell We received our class rings and were very pleased with them. We sponsored a Disc Jockey Dance and on November 5, we successfully presented the play "Our Hearts Were Young and Gay." On May 13, we gave a prom in honor of the senior class. Several of the boys played varsity basketball while three of the girls were cheerleaders. We also participated in activities such as: band, chorus and glee club.

We started our final year of high school on September 6, 1955. The officers were: President, Tom Davidson; Vice President, Carol Sprague; Secretary, Maryalice Springer; Treasurer, Nila Howell; and sponsor Mrs. Brown. We sold ice cream and pop in school and at basketball games. We had a carnival January 31, and a Leap Year Dance February 29, to raise funds for our senior trip. On April 13, we presented our class play. We greatly appreciated the prom given in our honor by the juniors on May 11. We received our diplomas on May 24. Thus we concluded together our high school career.
